### Labor Certification Posting Notice - #2

**Position Title:** Clinical Assistant Professor - Emergency Equine Surgeon

**Position Description:**
Veterinary Clinical Sciences, College of Veterinary Medicine (CVM), Iowa State University Ames, Iowa
Full-time, clinical-track faculty position in Emergency Equine Surgery housed within the Department of Veterinary Clinical Sciences. Responsible for equine ICU duties, receiving and assisting with elective cases as well as emergencies admitted both during and after regular business hours and provide a minimum of 50% emergency coverage including in-house after hours and weekend obligations. In addition, required to be available for all clinical work during normal daytime hours. Support house officers with emergency and elective cases and student teaching. Perform routine and more complex surgical procedures after hours and assess the need for consultation when necessary. Instruct students in equine medicine and surgery, teach surgical skills, didactic teaching, laboratory teaching, and introduce students to routine procedures involving equine, canine, and feline patients. Required: DVM or equivalent degree. Demonstrated expertise in emergency and critical care cases. Familiarity with teaching methods relating to practical surgery skills. Collegial, collaborative attitude and willingness to participate in all levels of technician, student, and house officer education. State of Iowa Veterinary License on or before the first day of employment. Board Certification by the American College of Veterinary Surgeons (ACVS). Preferred: Advanced degree in biomedical science or closely related field. Established record of scholarship. Evidence of having applied for, received, or completed grants or funding. The Chronicle of Higher Education, March 23, 2018
